Dear Ms Lake,

This letter is in regards to the January 13, 2014 compliance check of your Category B, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

☐ 110.5(1)o Nonsmoking signs posted at every entrance of the home and in every vehicle used to transport children. Signs include telephone # for reporting complaints, and www.iowasmokefreeair.gov.

In compliance, just add a sign to the vehicle used to transport the children.

☐ 110.5(2)b Certification by an approved trainer/organization in infant and child first-aid that includes mouth-to-mouth resuscitation. Certification will be maintained throughout period of registration. If they are unable to locate first aid training that includes mouth-to-mouth resuscitation, they must complete both a first aid course and CPR.

If you need assistance in scheduling this please contact Child Care Resource and Referral at 1-800-722-7619 or reference page 29 in the packet that was left for you.

☐ 110.5(2)b During the second year of registration and each succeeding year, twelve hours of approved training. At least six hours shall be in a group setting. If the provider has documentation of completing the ChildNet, PITC, or Beyond Business Basics series, these hours may be used to fulfill two year's training requirements, not including first aid and mandatory reporter training. A specific training shall not be used to meet requirements more than one time every five years.

Provider reported this is in progress. If you need assistance in setting up or identifying training hours contact CCRR at 1-800-722-7619. There are also online course that may meet some of your requirements listed on page 12 of the packet.

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations on or before March 10, 2014.**

☐ Based on the items out of compliance listed above, you will be required to have a re-check or follow-up visit to your home. This visit will occur on or after _____.

x ☐ Based on the items out of compliance listed above, a re-check or follow-up visit to your home is not necessary. However, it is essential you come into complete compliance with all Departmental regulatory mandates. **Please check mark each of the boxes listed above when the necessary corrections have been completed. By doing so, you certify that you have completed all of the mandated regulatory requirements contained within each identified section.**

I certify that I have taken all of the steps necessary to correct each of the identified violations noted above and am now in complete compliance with all of the Departmental mandated regulatory rules.

Please sign and date below, and return this form in the provided envelope by: March 10, 2014.
